

## ALL-NATURAL FLAVORS FOR BEER

**It's a crowded beer market.** The process of brewing beer has taken on a level of intricacy that has turned the industry into something of an art form. Whichever brew style you're excited to enhance, using the highest quality flavor extract is paramount. The team at Bickford Flavors is here to help you achieve full-bodied, unequivocally real, naturally sourced tastes.

## OUR PREMIUM TTB-APPROVED FLAVORS

Approach the development of your signature beers through the lens of our specific flavor categories to easily match your brew with the perfect flavor extract. All flavors can be used in light, midlevel, dark, and nonalcoholic beer recipes. Our TTB-approved flavors are formulated to be stronger and more versatile than other flavors on the market.
