Forever 
 **FLOWERZ**

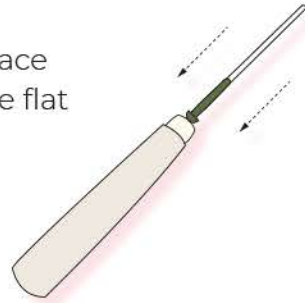

CLASSIC CARNATIONS

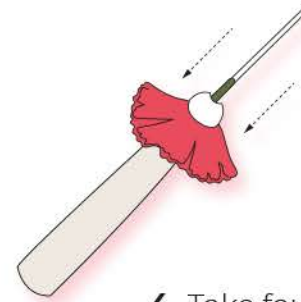

www.foreverflowerz.co.uk

Instructions

1. Take the **flower making tool** and place a **flower stem** onto the tool, with the flat base at the bottom, pushing it all the way on.

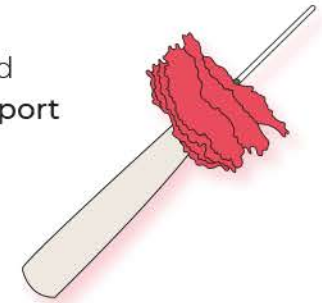

2. Take **four petals** of your choice and place onto stem, pushing them to the bottom. (The flower petals can sometimes be stuck together, please ensure you separate them before putting them on). For a fuller flower, alternate the way the petals face, front to back.

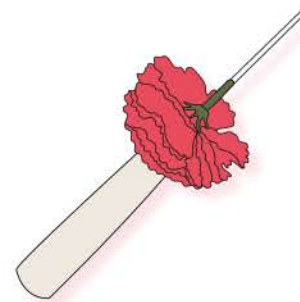

3. Place your **inner support** on top and press firmly down.

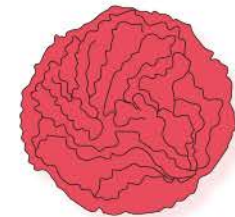

4. Take four more **petals** and place on top of **inner support** and press firmly down.

5. Add a **base cap** (green flower bud) and push firmly on.

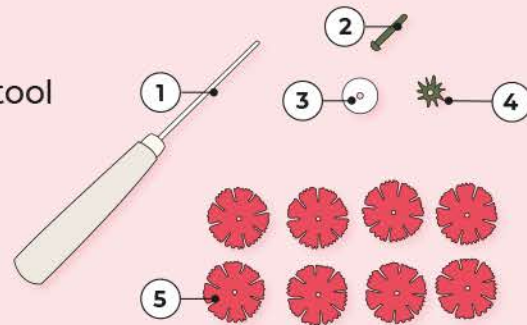

6. Take the flower off the tool and "fluff" out your flower.

BOX CONTENTS:

1. flower making tool
2. flower stem
3. inner support
4. base cap
5. petals

To add extra effect, you can colour the flowers with *glitter pens*, *shimmer paints*, *crystal drops*, *sprays*, or add *glitter*, *gilding flakes* or *foil*!
