## BOWLING SCORING RULES

Open Frame: Score the number of pins knocked down after both throws. No bonus points awarded.
Spare: 10 points + the number of pins knocked down in the first throw of the next frame.

Strike: Score 10 points + the number of pins knocked down from the next two throws of the next frame.

10th Frame Exception: If a player bowls a spare or strike in the 10th frame, they get an additional 1 or 2 throws, respectively, to complete their game and scoring.

High Score: The highest possible score in a game is 300.
