

# Castle FARM

KENT, 1892

Spot and see around Castle Farm!

1. How many cattle can you see grazing in the water meadows?

16 in the field by the shop. 27 in the field by the bridge

2. What date was our windmill built?

1968

3. Can you spot any wildlife (birds or insects) near the river or in the trees?

Lots to see here! You can be the expert!

4. How does it make you feel when you smell the Lavender?

Lavender can help you feel calm and relaxed

5. Can you see bees collecting nectar in the purple flowers?

What do they use the nectar for?

The nectar is used to make lavender honey

6. What is the name of the rare apples that go into our Castle Farm Apple Juice?

Norfolk Royals. (You can come and pick in September!)

7. There is an old wood and metal machine on bricks outside The Hop Shop.

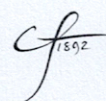

What was it used for?

It was used to press Hopflowers into big 'pockets'. (bags)

8. How many wheels can you see on our horsebox Coffee Cart?

6 wheels!

PARENTS / CARERS: Please remember, we are a busy working farm, with tractors and heavy machinery, please keep little visitors under control. All spotting and seeing can be done from the permitted paths near the shop. Please do not enter any fields or go in the river! Scan the QR code to see if your answers are right.
