Five Minutes to Fabulous®

We’ve all been there. Your friends decide tonight actually does work for dinner. Julia believes a crowd dazzling presentation is possible, even if you only have five minutes. The secret is in the art of combining different ready-made items (that’s right, you don’t have to make the soufflé), a touch of homemade and the perfect Julia Knight serving pieces. Fabulous has never been so easy.

How It All Began

Early years of living in France forever changed how Julia approached entertaining and hospitality. Paris is where Julia learned how to use style to create beautiful and sophisticated presentations simply by spotlighting what she had on hand. Today, Julia designs beautiful handcrafted collections that appeal to people who love style and all things fabulous.
