

INGREDIENTS

Cordycepin 150 mg

Inactive Ingredients

PEG, Luo Han Guo Extract, Bitter-Bloc™, Stevia RM95, Fuji Apple, Green Apple, Natural Green Color, Natural Yellow Color

DELIVERY MECHANISM

The Buccal Troche: a small lozenge that dissolves between the upper cheek and gums. In contrast to a tablet or capsule, the ingredients are directly absorbed into the cheek mucosa for a more reliable and rapid onset of action, typically between 15 and 20 minutes.

The troches are scored so that you can calibrate your own dose.

For immediate immune support, use Tro Mune as a buccal troche.

Tro Mune can also be swallowed.

DOSING

Start dose of 1/2 to 1 full troche!

Timing: Taken in the evening, before bed

Maximum daily dose: 4 troches per day

INDICATIONS

Calibrated formula for:

- Boosting immune system function
- Decreasing inflammation

WHAT IS CORDYCEPIN?

Cordycepin is derived from the *Cordyceps* mushroom, a mushroom that has been known for thousands of years to have massive healing powers.

It is the most potent extract from the mushroom, with over 100 times the immune system and anti-inflammatory power.

INTERACTIONS

Speak to your physician if you are taking any prescribed medications, especially immunomodulatory, anticoagulant, antiplatelet, diabetic, hypertensive, and chemotherapeutic medications.

CONTRAINDICATIONS

- Pregnant or breastfeeding
- Hepatic or renal impairment
