

AMERICAN BARBELL SPORT BUMPER PLATES

COLOR LB

AVAILABLE IN: 10LBS 15LBS 25LBS 35LBS 45LBS 55LBS

DESCRIPTION:

The American Barbell Sport rubber bumper plates are 450mm in diameter and feature a quality stainless steel insert for easy loading onto the bar. These are a great choice for any training program, including Olympic weightlifting as they have minimal bounce and are built to last quality not typically seen at this price level.

*Please note 10LB & 15LB plates are black, not color.
