

French Mini Dictionary

To provide you with the maximum number of word possibilities we have employed the following verb conjugation "theory." Regular verbs have been conjugated in the 1st/3rd person singular present tense. In addition, there are individual "s" to help form the 2nd person familiar. Irregular verbs (i.e. être, aller, avoir, devoir, faire, falloir) have been conjugated in all necessary forms. Lots of possibilities = lots of fun for anyone who knows or learns the French Language!
