This is a list (actually, two lists) of all the words included in your Wood Words Poetry Kit. Search both alphabetical lists to see if the word you're looking for is included somewhere in the tiles. If it is, next to it is listed what word is on the other side of that particular tile. For instance, if you were looking for the word "free," you can see below that that word is somewhere in the tiles, but the word "full" is on its other side, so you'd be looking for either of those words to find the "free" tile.
