Rosie rose to fame hosting as a celebrity Cook in Australia, but has recently returned to Cornwall to be closer to family. She is still the ongoing host of Australia's long-running popular CH10 show 'Good Chef Bad Chef'. In a nutshell, if Sue Perkins and Holly Willoughby had a 'Love Child' there is a very high possibility it would come in the form of Rosie Mansfield! She has a unique ability to connect with every generation using her warm signature sense of humour and an infectious curiosity to learn a person's story.
