COMPANY SUMMARY

Golden Group International Ltd. (GGI), is an American manufacturer of steel dispensers, lock boxes, receptacles and cabinets used by Commercial, Government and Institutional facilities since 2008. GGI manufactures our own brands: GGI steel products & S.A.C. bags and liners. In addition to the products that we manufacture, GGI offers a wide variety of supplies to keep your facilities running efficiently. Whether you are looking for health & safety products, cleaning or sanitary supplies for schools, hotels, healthcare or office, we have a wide variety of products to choose from.
