4. Stop watch function
5. EL backlight

FUNCTION MODE

In normal display press button "B" to switch between different function modes. Press once for stopwatch press twice for alarm and press three times to amend time and date.

TIME SETTING MODE

In normal display, press button "B" three times to enter time setting mode, 'seconds' starts to flash.

- Press button "D" to select in sequence as shown below.
 Seconds - hours - minutes - month - date - day - seconds
 Press button "C" to adjust selected digits.
 -12hr format A =AM/P=PM.
 -24hr format = H visible when amending hour.
 Press button "B" to accept the change.

ALARM SETTING MODE

In normal display, press button "B" twice to enter Alarm setting mode. Press button "D" to start amending the time. Pressing button "C" will increase the selections- hour and minutes. Press button "D" to move from hour to minutes. Press button "B" or "D" to accept change & return to show normal time. Alarm will repeat if no buttons are pressed when the alarm rings, this will repeat every 5 minutes for 5 times. Press button "D" to switch on and off alarm and hourly chime when symbols are visible on the screen this means they are switched on.

STOP WATCH MODE

In normal display, press button "B" to enter Stopwatch mode.
 Button "C" will start and stop stopwatch.
 Button "D" will reset stopwatch.
 Whilst the stopwatch is working, pressing button "C" will create a split time to review. By pressing button "C" again you can resume the timer.

HOW TO CARE FOR YOUR WATCH

Batteries should only be replaced by a qualified technician, please don't try to open the caseback yourself. Do not wear your watch whilst applying sprays or creams. Do not allow contact with any corrosive agents such as paint, solvents or adhesives as these may affect the case and finish. Do not immerse your watch in water.

GUARANTEE

Your TIKKERS™ watch is guaranteed against defects of material and manufacture for 12 months from date of purchase. There are a few things not covered by the guarantee:

- Batteries, straps or bracelets
- Damage caused from accidents or mishandling
- Water penetration

This guarantee does not affect your statutory rights. We are confident you'll love your new watch, but if you do have any issues under the terms of the guarantee, then please contact the Tickers™ Team who will be happy to help. You can contact us Monday to Friday, 9AM to 4PM on:

 +44 (0) 121 524 1400
