

SIZEGUIDE

Our secondhand clothing is collected from all parts of the world. This means that many different sizes are put on a pile to be sorted again by us. Since the size M is not the same everywhere, we have created a size guide for you, so you have a better overview of our size labels.

TROUSERS & JEANS

When measuring our pants, we stick to the classic measurements of Levi's jeans. The measurements are given in inches (1cm= 2,54 inch). If the pants contain a label with the original size it will be taken, if not the pants will be measured by us.
