How to determine the value:

Category A
New condition, almost unused. The garment is unused or used, but really good condition. The garment has no abrasions or stains anywhere on the garment, all details such as buttons, press-buttons, velcro and zips are still in new condition. Freshly washed. Pockets empty.

Category B
Used condition. The garment is full workable and wearable, but has signs of use. Garments that are 5 years old or older ones always fall into category B or C. Freshly washed. Pockets empty.

Category C
Really worn products. Fully working clothes but with flaws such as fading, abrasion or missing hood. Freshly washed. Pockets empty.
