STERLING WIRE & CABLE

What We Do

Located in the heart of Minneapolis, Sterling Wire & Cable is a full-service, value-added stocking distributor of wire, cable, wire management products, and cable accessories. Our team of specialists assist in product selection and custom cable solutions, and our service team offers quick turn services such as dyeing, striping, twisting, coiling, and more. We provide what you need when you need it to make your next project a Sterling success!
