For Students from the Studio of _____

Date: _____

Location: _____

Adjudicator: _____

ENTRY DEADLINE: _____ (postmarked by this date).

Students will be scheduled on Saturday from approximately _____, depending on number of entries.

Benefits of Participation: Music Enrichment Day is an opportunity for students to perform their pieces for another professional teacher in a relaxed, friendly environment. My goal as a teacher is for my students to have a positive experience and grow musically so that they gain confidence while performing. Students may wish to participate in this event to gain valuable experience for exams, recitals or festival. Some may just wish to share their music and strive to perform the best that they can.

Ultimately, I wish to help my students gain a love of music.

Students will be graded similar to exam marking. Students receiving A+ or A may be given awards, depending on the number of entries.

Students may enter conservatory or non-conservatory selections, including studies. Duets may be entered. All students will receive a written adjudication. Memorization is encouraged for all solo pieces including studies.

Duets do not require memorization. Students do not need to announce pieces. Students are required to bring an original copy of the music for the adjudicator (no photocopies).
