

French Press

Brew time:
4 mins
Servings:
4-6

Brewing Equipment:
● French Press ● Coffee Beans
● Kettle ● Coffee Grinder

Heat Up Water

Water needs to be 200°F - 205°F when starting to pour.

Measure & Grind

Grind to a coarse grind, similar to that of breadcrumbs.

Pre-infusion

Saturate coffee for 30 seconds, allowing for pre-infusion.

Add More Water

Fill the press to the top, start timer for 4 minutes.

Press

At 4 minutes press plunger all the way down.

Serve & Enjoy

Pour coffee into a separate carafe.
