HERITAGE WINE. MODERN CONTEXT.

Amity Vineyards, one of the first pioneering Oregon wineries, was founded in 1974 by winemaker Myron Redford, who moved to Oregon with a dream to make world class Pinot Noir. He became known for his attention to detail and experimentation in the winemaking process, and as a result he was the first to produce organically grown sulfite-free wines. The first vineyards were planted in 1971, with a total of 15 acres planted in Pinot Noir, Riesling and Pinot Blanc.

Amity Vineyard sits 500 feet above the town of Amity where its south-facing slope gets warmth from the sun and cooler air blowing in from the Pacific Ocean 50 miles to the west via the Van Duzer corridor. The warmth brings ripeness while the cool evening temperatures allow the grape to maintain its acidity. The basaltic and marine sediment soils and low yields produce wines with a sense of place and purpose.

The 2021 Amity Eola-Amity Hills Pinot Noir is sourced from three primary sites within the AVA: Sunset View, Amity Vineyards, and Temperance Hill. Owing to the season's low yields, all of these vineyards bring concentration to the wine. Sunset View provides a generosity typical of the site, Amity Vineyards fruit lends aromatic intensity and tautness, and the Temperance Hill brings an earthiness, all to create a complex and balanced blend truly representative of the vintage.
