WHITE PINOT NOIR

HERITAGE WINE. MODERN CONTEXT.

Amity Vineyards, one of the first pioneering Oregon wineries, was founded in 1974 by winemaker Myron Redford, who moved to Oregon with a dream to make world class Pinot Noir. He became known for his attention to detail and experimentation in the winemaking process, and as a result he was the first to produce organically grown sulfite-free wines. The first vineyards were planted in 1971, with a total of 15 acres planted in Pinot Noir, Riesling and Pinot Blanc.

Amity Vineyard sits 500 feet above the town of Amity where its south-facing slope gets warmth from the sun and cooler air blowing in from the Pacific Ocean 50 miles to the west via the Van Duzer corridor. The warmth brings ripeness while the cool evening temperatures allow the grape to maintain its acidity. The basaltic and marine sediment soils and low yields produce wines with a sense of place and purpose.

The Amity White Pinot Noir was sourced from Hylo Vineyard located in the Northern Willamette Valley. The fruit was picked in the cool early morning and gently pressed to minimize color and tannin extraction yet provide the subtle layers of tart and juicy fruit. After settling for 24 hours, the juice is cleanly racked and fermented in a stainless-steel tank. We age this wine sur lie to create generous yet soft texture, and provide balance to its mouthwatering finish.
