COLLECTIONS

Our collections are designed to inspire. Each collection is named after an Italian city and evokes the spirit of the location and the thrill of taking a journey somewhere new and exciting. Each collection is carefully designed to give you style and personality, while still maintaining our commitment to quality and craftsmanship.

As you take your journey, take note of the different color frames, the additions of metal trim and the lens type. We then create your bespoke sunglasses based on your choice of magnification, ensuring that your sunglasses are as perfect for you as your favorite Italian city.

Bari is a port city on the Adriatic Sea. It is the capital of the southern region of Puglia, as well as the second largest city in the south. With a gorgeous old town, bustling traditional harbour, Bari has a little touch of everything, from the Metropolis scene to a stroll back to ancient history. The ancient district is the place to visit for historical enlightenment, especially the San Giacomo church. To the south, the Murat quarter has stately 19th-century architecture, a promenade with lively restaurants and shopping areas.

Terni is a city in the southern region of Umbria in central Italy. Terni is an industrial hub that's nicknamed "The Steel City" and the "Italian Manchester". Terni is also known as the "City of Lovers", as its patron saint, Saint Valentine, was born and became a bishop here. Besides the spectacular Marmore Waterfalls (considered the most beautiful waterfall in Europe), Terni offers visitors and art lovers a variety of monuments. Not to be missed is the really magnificent sight of the Roman amphitheater. Although, much of it is in ruins today the amphitheater is still a sight to behold. This is one of the oldest attractions in the city, built in 32 BC.

Verona is a city in northern Italy's Veneto region, with a medieval old town built between the meandering Adige River. It's famous for being the setting of Shakespeare's "Romeo and Juliet." A 14th-century residence with a tiny balcony overlooking a courtyard is said to be "Juliet's House." The Verona Arena is a huge 1st-century Roman amphitheater, which currently hosts concerts and large-scale opera performances.
