Designer **Margaret Naeve Parker** held court with two luminaries at her chic home shop, M Naeve: Baltimore interior designer **Patrick Sutton** and Birmingham architect **Jeffrey Dungan**. Designers and style-setters turned out to celebrate their new books: *Storied Interiors: The Designs of Patrick Sutton and the Stories That Shaped Them* (Images Publishing) and Dungan's *The Nature of Home: Creating Timeless Houses* (Rizzoli). Sutton's book chronicles his knack for storytelling via projects such as the dreamy Sagamore Pendry Baltimore hotel, while Dungan's catalogs his portfolio of forever houses across the South. Loch Bar, the buzzy new restaurant in River Oaks

District, provided bites and libations — which was fitting, as Sutton designed the interiors.
