

# The Ex6225: ExVection the world's fastest forced air toaster.

The **Ex6225 ExVection™** is a new generation of toasting technology. By converting the waste heat from the toaster to forced convection in a highly efficient method of heat transfer, the new Ex6225 is able to produce superior toasting in record-setting time. And if that doesn't convince you, here are 6 more reasons you should own the new Ex6225 Air Toaster.

## FEATURES

- High speed – toast bagels perfect golden brown in under 15 seconds
  - Precision controls for perfect toast settings
  - Pre-programmed buttons allow ease of operation with preset settings for up to six different products
  - No quartz glass elements (longer life and fewer parts replacement)
  - Sturdy all stainless steel construction
  - One year parts, 30 days labor Warranty
