

### MILLENIUM

### 1375.8MLG/MSG + i

#### DESIGN

The MILLENIUM range of attractive ergonomically-designed rotisseries, boasts a number of innovative features for increased functionality and are an ideal show-piece used throughout the world in hotels, restaurants and deli stores.

The naked flame from Rotisol's patented burners lick the cast iron hearth creating a spectacular visual, whilst being safe and simple to operate and easy to clean. Spits are driven by individual motors rotating at 2 ½ times per minute allowing meat or poultry to constantly baste itself, sealing in natural juices and cooking to perfection.

#### FEATURES

- ☐ Energy Efficient
- ☐ Independent motors
- ☐ 4 tempered glass doors
- ☐ Safety with installed thermocouple
- ☐ Equipped with bottom drip tray with drainage tap
- ☐ Powerful halogen lamp.

#### FINISHES

Standard model in black enamel. A choice of other colours are available. Choses a colour scheme for Millenium.

With chrome or brass trims.
