IDC215 ICE DRINK DISPENSER

FEATURES

Quality - Delivers bottle-quality drinks every time with built-in cold carbonator

Merchandising - Creates high-impact marketing messages delivered with illuminated merchandiser

Easy to Update - Quickly modifies marketing messages with simplified front graphic change out

Smart - Automatically separates ice dispensed into cups from ice used to cool cold plate

Reduces Mess - Reduces ice spillage with increased drip tray capacity

Versatile - Dispenses different ice types thanks to contour of hopper and beverage dispenser geometry

Easy to Clean - Hopper is easy to clean and has the ability to dispense various ice types

Flexible - Readily accepts top-mounted ice makers with manual ice-fill capability

Increased serviceability -

- Requires only one electrical outlet
- Easy front access to carbonator tank
- Simple motor removal

TotalFlexTM – easily changes from carbonated to non-carbonated
