

VDH63 Hoodtype Dishwasher

504291 - Hood type insulated dishwasher with double skin hood, detergent and rinse aid dispenser, 63 racks/h, 208V/ 3ph/ 60Hz

Ideal for: Restaurants.

Fast, reliable and easy to operate. Peace-of-mind technical design

Characteristics and Advantages:

- 63 racks per hour
- 0.5gal (2L) of water per rack
- Hot water santitation
- Included atmospheric booster to raise incoming cold water to a constant temperature of min 180°F (82°C) and pressure throughout the rinsing cycle. No external booster is needed.
- Energy Star 2.0 certified
- Full stainless steel AISI304 construction with double skin insulated hood
- Electronic control with temperature display, self-diagnostics for serviceability
- Deep drawn stainless steel tank with round corners for easy to clean
- Inclined wash arms and ceiling to avoid washed water drops containing detergent on clean wares after the rinsing phase
- Included detergent and rinse aid pumps for automatic initial and continuous cycle loading ensure perfect results
- Revolving interchangeble stainless steel upper and lower wash/ rinse arms
- Stainless steel tank filter easy removable for cleaning
- Automatic fill of wash tank
- Automatic self-cleaning cycle
- Vertical self-draining wash pump
- 17-5/16" door opening
- Three phase electrical connection

Included Accessories:

2 cutlery container - yellow
 1 basket for 18 dinner plates 240mm - yellow
 1 basket for 48 small cups/24 cups - blue
