LITTLE PIG

ROSÉ

2019 Little Pig Rosé

Tasting Notes:

A whiff of fresh summer fruit salad, crunchy yellow apple, and fresh red berries with a zesty and tantalizing hint of citrus. Once the wine crosses your lips, a luscious and delectable minerality will exude a freshness like no other, making for a well-rounded wine that provides you with every bit of enjoyment and satisfaction.

Wine Information:

Region: Margaret River, Australia

Varietals: 86% Syrah, 12% Sangiovese, 2% Merlot

Alcohol: 12.5 %

Winemaking/Production:

All varietals are harvested during their optimum time of the season, exclusively from the Margaret River. Grapes are pressed without de-stemming and the juice is then clarified via a floatation method instead of cold settling with enzymes. We believe this process is better for extraction and colour management, which brings out the very best of the aromatic complexities. The juice is then fermented with a commercial yeast strain that is designed to work in cool conditions until the wines are dry.

Winemaker's Notes:

"This is a fun-loving wine that is juicy, crispy, and pretty in pink. It's a blend of Syrah, Sangiovese, and Merlot all from Australia's most exciting wine region of Margaret River. We love rosé and take it very seriously, so the blending of this wine has gone through the same processes as our top level wines. Our goal, as always, is to produce wines with exceptional balance, length, and an ethereal freshness of fruitiness. The trick to this wine is working with vines of various ages, locations, and cropping capabilities

Our key to the success of this range is simplicity and honesty. We're not trying to reinvent the wheel, we're sticking with what works to make this wine taste awesome." - Eddie McDougall
