

THE FLYING WINEMAKER

NV Prosecco

Tasting Notes:

Aromas of white flowers, pears and white peaches. A very approachable and gentle expression on the palate. Wonderfully refreshing with balanced flavours of pure orchard fruits and a mineral undertone.

Wine Information:

Vineyard: Cheshunt & Whitfield
Region: King Valley, Australia
Varietal: 100% Prosecco
Alcohol: 10 %

Winemaking/Production:

Produced from vines planted in Australia's high country, this wine is produced with every intention of rivalling those of its Italian origin. Made under the classic Charmat method, this expression of Prosecco carries a soft mousse that is incredibly expansive of flavour, which softly pops.

Winemaker's Notes:

"Most winemakers of Prosecco are hung up on balancing levels of sugar and acidity, whereas I believe the focus of making a stellar Prosecco should be on the carbonation. The carbonation of wine significantly affects the delivery of its complex flavours - so you see, getting the bubbles right means everything! When making my Prosecco, I don't focus on the sugar levels - I actually leave a bit of sugar in there as anything too dry will feel harsh, instead, I strive for a soft mousse to provide a soothing and pleasant drinking experience.

Our key to the success of this range is simplicity and honesty. We're not trying to reinvent the wheel, we're sticking with what works to make this wine taste awesome." - Eddie McDougall
