Aromas of white peach, pears, and crushed almond meal. Crisp, refreshing and driven with a citrus acid line on the palate. It's nicely balanced with a waxy viscosity and sprinkle of sea salt minerality.

Winemaking/Production:

Harvested in the cool periods of sunrise, our Pinot Grigio is designed to capture the essence of freshness. The fruit is carefully handled to ensure the perfect extraction of texture, flavour and aromas. Pressed and fermented at low temperatures, this wine is given every opportunity to retain its purity and expression of place.

Winemaker's Notes:

"Making Pinot Grigio in Australia is never an easy task as the country's climate is warm and dry, which means the wine can become rich and ripe. Preserving the natural freshness without the introduction of additives is only achievable from the careful selection of vineyard sites. Our vineyard is located at a high altitude and in a very cool area of the King Valley. Made true to its Italian heritage, the wine is crispy, crunchy, bright, and refreshing. After each sip you'll want another one because it's not clumsy - it's balanced and clean.

Our key to the success of this range is simplicity and honesty. We're not trying to reinvent the wheel, we're sticking with what works to make this wine taste awesome." - Eddie McDougall
