# ABOUT

**Sarto** [**sahr**-toh; *Italian sahr*-taw]

(Noun)

A skilled tailor; Dressmaker

---

We, at Sarto, are excited to bring the experience of customisation in ready to wear garments. Starting with the reinvention of the wardrobe basics - classic white shirts, t-shirts, sweatshirts, & kids clothes, we continue to add an extra edge to everyday clothing, and are now proud to take our first step towards sustainability, with our new collection, Love Letter To The Earth.

Our premium indigenous wear is the fusion of creative design and superior craftsmanship, keeping diverse tastes in mind. Pampering all sizes, our cuts have been specially developed to bring the best fit in our clothes. We are particular about using fine quality fabrics, to ensure the experience of comfort that everyone deserves. We now

source pure khadi directly from Indian weavers, while trying to do our bit in supporting local artisans and the Make In India movement.

The customisation service offered, lets the customer enjoy the perfect tailor made clothing experience. From made-to-measure tailored clothes providing the desired fit, to embroidery personalisation with anything from one's initials to a unique quirky design. The Sarto experience is curated keeping in mind the refined aesthetic, and the utmost ease and comfort of the customer.

On a mission to make all the Sarto garments your favorite ones!
