### LEFTFIELD GISBORNE ALBARIÑO 2023

---

#### *Description:*

This aromatic white grape hailing from Spain performs exceptionally well in Gisborne, a beautiful coastal region on the east coast of New Zealand's North Island.

Gorgeous little citrus flowers link arms with melon and peach to dance in the sunshine, always maintaining an air of class. Meanwhile, lime lingers in the shadows vying for attention.

#### *Gastronomy:*

Imbibe on its own or devour along with a Thai chicken salad.

#### *Method:*

The overarching climatic conditions in 2023 presented a lot of rain to the Gisborne region but the plucky Albariño grape has evolved to withstand wet conditions and continued to thrive to produce a flavour packed wine.

The grapes were picked and gently pressed to stainless steel tanks, then the clear juice was racked and fermented with yeast to highlight the aromatics and texture. The wine was aged on yeast lees for several months to add complexity and richness to the palate.
