OWL LABS

INCREDIBLE COLLABORATION IS JUST AHEAD

Meet the Meeting HQ, our all-in-one meeting room solution that makes virtual collaboration simple and frictionless.

The Meeting HQ connects to the Meeting Owl Pro and integrates with your calendar booking system to launch your video conferencing meetings with a single tap.

KEY BENEFITS

- The Meeting HQ reduces time and friction when starting meetings by integrating with calendar booking and video conferencing systems.

- The Meeting Owl Pro, the Meeting HQ, and an in-room monitor are the only pieces of equipment you need to fully outfit your meeting rooms for video conferencing.

- The Meeting HQ provides the flexibility to use multiple different video conferencing platforms within a single hardware solution so you can switch between platforms to meet with external customers or partners.

Meeting HQ Requirements

1. Meeting Owl Pro

2. Google Workspace or Microsoft calendar booking software

3. Zoom or Google Meet video conferencing software

4. HDMI-connected in-room TV or monitor

5. Subscription to proprietary Quick Start software (US $20/month billed annually)

OWL LABS

Meeting HQ Tech Specs

- **Quick Start ($20/month, billed annually)** is our proprietary meeting software that runs on the Meeting HQ and enables users to book and launch meetings using multiple different video conferencing platforms

- Meeting HQ **connects to in-room TV or monitor** via HDMI

- **Automatically receives software updates** overnight via WiFi as they become available

- 7" **touchscreen display**

- **WiFi or Ethernet-enabled** to connect to video conferencing software, room calendar, and push software updates

Privacy and Security Details

- Meeting HQ does not store any video or audio content

- Over-the-air updates are downloaded from Owl Labs' secure server

- No user information is stored on Meeting HQ

- Room and calendar information is not stored on Meeting HQ

- Meeting HQ uses a Workspace account to access a list of available rooms and room calendars via an API

"

The Meeting HQ has completely simplified our meeting experience. I can now roll into meetings right on time because I don't need to account for minutes of meeting set up beforehand, and in a matter of two clicks, I can be totally dialed into a meeting.
