

Wine Notes

Campos Family Vineyards has been creating exceptional wines that capture the best characteristics of Contra Costa County for several years. Our vineyard's premiere location by the California Delta produces rustic, earthy, and leathery styles of red wine. We prioritize quality and attention to detail - and our wines reflect that.

Like a family, a vineyard is at its best when firmly rooted, well-tended, and blended with love. With all of the charm of Napa tucked away close to home, Campos Family Vineyards is a hidden gem. Enjoy the splendor of our unique destination with 44 acres of striking landscape and glorious sunsets.

We believe in the power of wine to bring families and communities together to create lifelong memories. We're honored to be part of your story.

ABOUT THE WINE

Get ready to be swept off your feet by our Lodi Cabernet Sauvignon, a delicate delight that's anything but shy. This well-balanced wine leads with tobacco on the nose and then unfolds on the palate with flavors of chocolate-covered raspberries - a combination that's as divine as it sounds. Its modest tannins allow for a chewy finish. The magic in this everyday red lies in its ability to be both highly complex and delicate at the same time.

PAIRING

Enjoy our Lodi Cabernet Sauvignon with any smoked or grilled meat. It would also pair nicely with gourmet chocolate and a high-quality cigar. Best enjoyed with good company - even if that's just you and your dog on the couch.
