Campos Family Vineyards has been creating exceptional wines that capture the best characteristics of Contra Costa County for several years. Our vineyard's premiere location by the California Delta produces rustic, earthy, and leathery styles of red wine. We prioritize quality and attention to detail - and our wines reflect that.

Like a family, a vineyard is at its best when firmly rooted, well-tended, and blended with love. With all of the charm of Napa tucked away close to home, Campos Family Vineyards is a hidden gem. Enjoy the splendor of our unique destination with 44 acres of striking landscape and glorious sunsets.

We believe in the power of wine to bring families and communities together to create lifelong memories. We're honored to be part of your story.

ABOUT THE WINE

Our Golden Girl Pinot Gris is an orange-style wine that embodies our warm summers and vibrant sunsets here in Contra Costa County. Her iconic orange color comes from allowing the grapes to linger on the skins for an extra couple of weeks. Then, she's aged in oak in traditional French fashion, leaving us a beautifully creamy, oaky flavor.

Because of the extended skin contact, Golden Girl has more personality than you might typically expect from a white wine. At first sip, you'll notice bright notes of honeysuckle, green apple, and melon. You may also pick up a mineral tone with a bright acid to cleanse the palette. Golden Girl is a crowd-pleaser because she has the robust, full-bodied characteristics of a red wine, but the refreshing qualities of a white.

Golden Girl ages more gracefully than your average white, so feel free to stash her away for a special occasion or to give as a gift.
