

Wine Notes

Campos Family Vineyards has been creating exceptional wines that capture the best characteristics of Contra Costa County for more than ten years. Our vineyard's premiere location by the California Delta produces rustic, earthy, and leathery styles of red wine. We prioritize quality and attention to detail - and our wines reflect that.

Like a family, a vineyard is at its best when firmly rooted, well-tended, and blended with love. With all of the charm of Napa tucked away close to home, Campos Family Vineyards is a hidden gem. Enjoy the splendor of our unique destination with 44 acres of striking landscape and glorious sunsets.

We believe in the power of wine to bring families and communities together to create lifelong memories. We're honored to be part of your story.

ABOUT THE WINE

Move over, cabernet sauvignon and merlot: it's time for cabernet franc to shine.

Judah is a deep, elegant cabernet franc with an earthiness and fruitiness that give unparalleled complexity. Bell pepper and tobacco are pronounced on the nose. Flavors of toasted butterscotch and raspberry dominate the palate. The wine finishes with a subtle tingle from the acidity. Don't let the delicate color fool you - Judah is bursting with aroma and flavor. Enjoy slightly chilled on a hot summer afternoon, or let it warm you up on a cold winter day.

BEHIND THE NAME

Judah's arrival into the world was exciting and certainly "grand" which is what Franc means! When the midwife failed to arrive on time, Michelle Campos, grandmother and co-owner along with her daughter and son in law Ethan tended to the birth of Judah themselves! He was born a big, strong healthy boy and it was only appropriate to create a label that represents Judah's namesake, the Lion of the Tribe of Judah.

PAIRING

Pair Judah with the lion's share of charbroiled steak or BBQ ribs.
