

Wine Notes

Campos Family Vineyards has been creating exceptional wines that capture the best characteristics of Contra Costa County for several years. Our vineyard's premiere location by the California Delta produces rustic, earthy, and leathery styles of red wine. We prioritize quality and attention to detail - and our wines reflect that.

Like a family, a vineyard is at its best when firmly rooted, well-tended, and blended with love. With all of the charm of Napa tucked away close to home, Campos Family Vineyards is a hidden gem. Enjoy the splendor of our unique destination with 44 acres of striking landscape and glorious sunsets.

We believe in the power of wine to bring families and communities together to create lifelong memories. We're honored to be part of your story.

ABOUT THE WINE

If watching the sunset on a warm summer evening could be captured in a bottle, our Sauvignon Blanc would be it. This is a bright, stainless-steel fermented wine with a crisp taste and fruit-forward flavors of honeydew melon, peach, and vanilla.

The sauvignon grape was initially grown in the Bordeaux Region of France. Now, the grape is grown all over the globe - including right here in our own vineyard. High in acid and low in sugar, this is a lively, crisp, slightly sweet wine that will leave you wanting another glass.

PAIRING

Goat cheese and crackers, lemon-roasted chicken, and long walks on the beach.
