

CALM PUPPY, HAPPY PUPPY

TURKEY FLAVOR

See results in as little as 24 hours.

Free from common allergens & made with natural and premium ingredients.

DESCRIPTION

Experiencing new things can be scary, especially for a puppy. Snuggle Puppy's Daytime Calming formula can help ease anxiety that your puppy may experience from new situations. Whether from fireworks, thunderstorms, unexpected guests, a new pet, or a gathering at your home, the natural and premium ingredients in this formula will help calm your puppy in new situations.

FOR PUPPY

- Relieves stress and anxiety a puppy experiences from new or stressful situations.
