

HAPPY BELLY, HAPPY PUPPY

PUMPKIN FLAVOR

Free from common allergens & made with natural and premium ingredients.

DESCRIPTION

A healthy digestive system can set your puppy up for success by helping them appropriately absorb nutrients, building a strong immune system, and avoiding GI distress.

FOR PUPPY

- Provides natural supplementation to help prevent issues related to a puppy's digestive system.
- Promotes a strong immune system.
- Ensures a puppy's digestive system is appropriately absorbing nutrients needed for healthy development.
