1. Cut out the ring sizer

2. Make a slot along the dotted line

3. With the numbers on the outside, insert the tail end into the slot

4. Place the sizer around your finger and pull the tab until snug

5. The number on the scale is your ring size

• Make sure you allow enough room in your sizing so that the ring can easily slip over your knuckles.

• Each of your ten fingers and thumbs will have their own, unique size. Be sure to measure them all and keep a handy list on your phone!
