Presentation Options

MURAL

Bring your space to life with an impacting mural.

Subtle linen-cotton canvas texture wall murals are made to measure, printed on premium re-positionable self-adhesive vinyl, which can be safely applied to most walls. Comes in re-positionable panels for easy self-installation.

ACRYLIC

Stunningly beautiful & classy; modern showpieces will elevate your decor.

Providing brilliant luminous colour, punchy contrast and depth it's sleek and packs a high gloss shine. Brings awe that invigorates and refreshes the space. Ready-to-hang, printed directly on 1/8" acrylic panel that floats 3/4" from the wall. Elevate this look by adding a frame.

Perfect for contemporary spaces, sterile environments and wet areas.

ALUMINUM PRINT

Dazzle your modern, contemporary decor with this vibrant eye-popping metallic art. Dynamic choice if you want to create an awe-inspiring space. Extremely durable, long-lasting. Easy to clean, and well suited for high traffic and wet areas (bathroom, kitchen) sterile environments, and any space you want to create an impact. Floats 3/4" from the wall with float mount backing.

NATURAL WOOD PRINTS

A great way to bring the outdoors in with a modern twist

Elevating your boho, modern farmhouse or traditional decor. Providing soft colours, earthy wood grain and natural texture brings simplicity and serenity to the space. Each wood print is unique, because the pattern of the wood grain is never the same. Ready-to-hang and printed directly on 3/8" birch panel that floats 3/4" from the wall. Elevate this look by adding a frame.

FRAMED CANVAS

Artistic appeal fitting with any decor; often mistaken as a painting

An impacting piece for traditional and modern decor. Image is printed on premium fine art canvas, using archival pigments. It's then coated to seal and protect the colours while providing durability. Float framed for an elegance.

VINTAGE FRAMED

For something a little more distinct.

Image is printed on material of choice, mounted and inset in an authentic vintage frame. These classic, timeless pieces are a perfect way to add vintage flair to any space.

METALLIC CANVAS

Metallic shimmer, spices it up!

Traditional canvas with a modern twist. Silvery metallic excites and energizes your modern space. Float framed for stylish finished look.

FABRIC

Light & airy, bring a soft soothing feel to the space.

Using poly/twill blend for soft muted tones and float framed for an elegant appeal.
