Cert No. PC0051

The FIRA Gold Award is the ultimate mark of product excellence within the furniture industry and provides a solid reassurance that a product meets all necessary standards.

A selection of Jayline doors have been tested by FIRA and achieved the FIRA gold award. Tests : **BS 6222-3**.

*Please check communication updates on MyBA for live updates on lead times as they may fluctuate slightly during busy periods.

RANGE SPECIFICATION

19mm MDF J Profile Handleless Door.

Wrapped door with a continuous laminate on top edge and face. Jayline uses a PUR adhesive system giving the highest heat and moisture resistance available.

Note: When ordering Jayline doors with hinge-holes, specify handing and groove (handle) position.

E.g. drill 98T 98B LH handle top.

CERTIFICATION

Products marked (F) are FSC® certified. The Jayline range has attained the FIRA gold award.

- Min height 140mm, max height 1245mm.
- Min width 146mm, max width 1200mm.

Surcharges apply. See price list for details.

Any made to measure size will be produced from a standard bar (using the next size up) and cut down to height & re-edged. Therefore the use of edging will apply to all made to measure sizes.
