DISTINGUISHED BY DESIGN, TO BE ADMIRER FOR A LIFETIME

Step into the vibrant world of Art Hide, an Australian brand that specializes in luxurious, ethically-sourced hide rugs.

Combining the skills of third generation artisans with contemporary technology, Art Hide infuses a unique Antipodean twist into every aspect of color, pattern, and design.

Since 2010, Art Hide has captivated audiences worldwide with fresh and eclectic creations, breathing new life into the traditional realm of cowhide aesthetics.

Art Hide has local operations both in the United States and Australia, servicing projects worldwide.

INTRODUCING

Driven by a passion for this beautiful natural textile, Art Hide's heirloom quality products effortlessly evoke a one-of-a-kind allure and showstopping glamor to all manner of residential or commercial spaces.

DESIGN AND TECHNOLOGY

Art Hide redefines the limits of cowhide leather with creative techniques and cutting-edge technologies. Our expert artisan team in Lahore, Pakistan, has mastered the seamless integration of these methods into traditional leather-making, enabling unparalleled craftsmanship.

FUSION

Experience the innovative Fusion technique developed by Art Hide that revolutionizes pattern creation without relying on traditional stitching methods.

Inspired by the renowned stitchless FIFA soccer balls pioneered in Pakistan, Fusion embodies the perfect amalgamation of cutting-edge technology and masterful artistry. Unleash infinite creativity, with limitless possibilities in pattern and scale, along with a flawlessly seamless finish that exudes sophistication and inspiration.

LASER

Art Hide's laser burning technique engenders an exquisitely ingrained textured pattern on the hides. This adds mesmerizing and evolutionary design elements that are only limited by imagination, and include elegant motifs, logos, and intricate geometric patterns.

COLOR

Art Hide takes color matching to new heights.

Our exceptional services accurately match fabric tones or Pantone shades in just one week. Art Hide's collection contains 200 proprietary colors, setting us apart on the global marketplace.

Metallics provide a sophisticated and distinctive touch to the color range.

Art Hide specializes in bespoke, made to order products for residential and commercial environments.

With just a six-week lead time, our skilled team crafts every product to the customer's specifications from concept to delivery, with highly personalized service.

In-house design experts take care of all renders, whether it is an initial concept or a highly detailed, scaled render.

MADE TO MEASURE

With easy-to-order samples dispatched the next day, and an extensive range of colors and subtle tonalities, Art Hide offers unlimited options for customization.

CONSCIOUS CRAFTING

At Art Hide, rug making is an artisanal craft that is steeped in sustainability. The entire production process is carefully managed to minimize waste and promote environmentally-friendly and socially responsible practices.

Each rug is crafted to order, ensuring that there is far less wastage than in mass production. The tannery processes, water management, and dyeing techniques all reflect Art Hide's commitment to sustainability and ethical production.

FORM & FUNCTION

Art Hide is specifiable as an architectural finish that is luxurious, durable, and versatile.

It works brilliantly as wall, floor, and furniture coverings, adding a stunning and unique focal point to commercial spaces like hotel lobbies and bars.

With its global portfolio of extraordinary applications, Art Hide pushes the boundaries of traditional uses for cowhide leather in residential, hotel, and commercial settings.

NEW COLLECTION 23/24

NEW RELEASES

Introducing Art Hide's captivating new collection. Combining the innovative Fusion technique with masterful traditional stitching, this extraordinary range boasts a vast array of brand new saturated colors.

Be mesmerized by the stunning free-flowing designs, featuring breathtaking fluid shapes and shades that redefine opulence and leave a lasting impression.

From bold and vibrant hues to elegantly muted tones, each rug in this collection is a masterpiece of artistry and craftsmanship.

COLLABORATIONS

Art Hide, in its first-ever collaboration with an external designer, joins forces with renowned New York interior designer Sasha Bikoff. The partnership was born out of a shared commitment to crafting extraordinary and attention-commanding pieces.

Bikoff's distinctive style, characterized by its daring use of bold hues and vibrant patterns, takes center stage in a mesmerizing and luxurious collection that draws inspiration from the psychedelic fashion and bohemian spirit of the iconic Woodstock era.
