

ALESSI

AN
EXTRA ORDINARY
CHOICE

Corporate Gift

Be different

Some objects are part of our day-to-day life, they define the fabric of our life. Some objects make our small everyday gestures more poetic, more pleasurable, more personal.

Choosing the style of an Alessi object for your business gifts means standing out with an original gift, to convey emotions and bring happiness to the recipients.

Choosing Alessi makes all the difference.

Enter Alessi's world and discover more than three thousand products belonging to a wide variety of categories: accessories for the kitchen, the home and the office, tableware, small appliances, furnishing accessories, lighting fixtures, fragrance diffusers, personal care objects.

A universe of proposals where you can find the perfect gift.

The divisions

Alessi's Business Gifts Division is organised to speak directly with customers and support them in each and every aspect of the creative, design and organisational processes.

It works along several thematic lines:

Corporate Gifts: traditional objects from the entire product line-up.

Special products: items made under exclusive contracts.

Corporate Gift

Special products

Corporate Gift

A corkscrew that smiles at you as you uncork the bottle, a Coffee maker that looks like an architectural structure, a Lunch box that looks like a bag: limitless opportunities for you to make stunning choices.

Alessi's catalogue brims with exciting ideas: from products with a friendly air to items that have become design icons, and a choice of objects in precious limited editions.

Special products

With Alessi, you can invent what does not yet exist.

To exalt your brand identity, Alessi offers its wide network of designers and its expertise in creating exclusive customized products designed to meet a customer's needs.

The entire design and production process, from concept to finished product, is developed by the company's in-house team.

"Alba", truffle slicer - Consulenza Centro Nazionale Studi Tartufo e Ente Fiera Internazionale del Tartufo Bianco d'Alba

"Nutella Clock" - table clock created for Ferrero

Services

Each object communicates through its own language. Alessi offers its expertise to dress the message of your gift with uniqueness and make it even more exclusive.

Personalization

- Logos and brand names are reproduced on a product through various techniques: screen printing, pad printing, laser marking, decal transferring.
- Customised colours.
- Precious gold, silver, PVD finishes.
- Packages personalised with printed copy and logos, labels and bands.
- Multi-product packaging solutions.

Consultancy

Our creative staff identifies the best technical and design solutions to give tangible form to inspiration and meet customer needs.

Logistics

Through its courier network, Alessi can handle the delivery of the gifts.
