Synthetic Chamois Cloth

Part No. **BIG FELLA & BARRY**

Comprised of the finest material, allowing for outstanding absorbency and a supreme level of resilience, drying your vehicle with a streak free clean finish, in showroom condition!

Directions:

- Wash before first use and wring out excess water
- Begin with drying all windows, followed by other areas of the car. If the chamois is dropped, rinse carefully to remove any impurities
- After each use, rinse chamois with clean water (by hand or machine, without any bleach) to remove dirt particles. Rinse again in clean water and then allow to dry (Machine washable at 95°C)
- Chamois remains soft when dry
