DOMUS®
BLOC-20
LED Mounting Profile

Surface   **Wall**   **Suspension**

Description

Introducing the BLOC-20 LED mounting profile system. The BLOC-20 is specifically designed for the Domus range of LED strip lighting. This aluminium mounting profile system incorporated extruded profile complete with a square opal colour PMMA diffuser. The key features of the BLOC-20 is the ability to not only conceal the LED strip lighting but also keep the strip lighting linear. Also, the BLOC-20 keeps LEDs free from foreign objects and vapours which may damage the LEDs. The finishing of this product is a perfect complement to any area where discrete lighting is required. Applications include lounge rooms, dining areas, bathrooms, storage areas, shelving or any other architectural application.
