

10W Frosted GLS LED Globes

GLOBE - LED

Product Features:

- Input voltage range: 176-264V AC 50/60Hz
- Material: PBT + aluminium- plastic + PC
- Diffuser: plastic
- Power factor: 0.5
- LED chips: SMD2835 LED
- Ambient temp: -15 to 400C
- Not suitable for dimming
- Suitable for 2 way switching
- Suitable for PIR and Microwave sensor
