Warranty

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 5 years from date of purchase. Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, or incorrect installation.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 5 years of the date of purchase of the product.

This Warranty is only for product replacement and does not include associated costs such as labour, transport or specialised access equipment

Refer to our website brilliantlighting.com.au for terms and conditions and warranty claims.

This warranty is given by:

FIG 1 — Hook (C), Highbay (A), Primary safety screw (F), Locking nut (D), Mounting point (B)

FIG 2 — Secondary safety screw (E), Highbay (A)

FIG 3 — Safety lanyard (G), Carabiner

FIG 4 — Primary safety screw (F)

Installation

NB: Ceiling mount with mounting chain/cable (not supplied) needs to be installed prior to fitting of highbay. Chain/cable must be fastened and have a load rating of 30kg minimum.

1. Ensure power is turned off.
2. Remove product from packaging and check all components are present. Dispose of packaging thoughtfully and to local government regulations
3. Insert hook **(C)** into mounting point **(B)** on highbay **(A)**. Turn hook **(C)** until firmly secured. (Fig 1)
4. Tighten locking nut **(D)** firmly to secure hook **(C)** to highbay **(A)**.
5. Insert secondary safety screw **(E)** into small hole under hook **(B)**. Secure firmly using Phillips type screwdriver. (Fig 2)
6. Unravel safety lanyard **(G)** and place through spacers on highbay **(A)**.
7. Clip one carabiner of safety lanyard **(G)** around onto itself as pictured. (Fig 3)
8. Loosen primary safety screw **(F)** on hook **(C)**. Attach hook and safety lanyard onto mounting chain/cable (not supplied).
9. Tighten primary safety screw **(F)** to secure highbay in place. (Fig 4)
10. Once safely secured, plug into power outlet.
11. Cable tie (not supplied) any loose highbay flex cable to the mounting chain.
12. Turn power on.

Connect to your WiFi

Ensure your mobile phone is connected to your 2.4GHz WiFi network.

Your mobile phone and your smart device needs to be within good signal strength range of your WiFi router.

Download the BrilliantSmart App
