

Congratulations for recognising the need to engage partners to enhance your event now, and to foster positive working relationships that will see your event grow in the future.

Hitchley and Harrow are proud to be identified as a potential partner for your event. We are a small business and we are committed to advancing equestrian sports across Australia. To provide continued support to events, year after year, we have developed a single option that maximises our partnership capacity.

To benefit both entities to their maximum potential we offer the option of a Hitchley & Harrow gift voucher\* - the value of this voucher is completely up to you! We will match you dollar for dollar - no matter the size or scale of your event. For example; if you contribute \$100, we will donate \$100 which amounts to a \$200 gift voucher. We ask that you work with us to promote our brand with your audience and we will do the same for you.
