This light will illuminate when the speaker turns ON / OFF / pairing / connected.

G MICRO USB CHARGING PORT

Area to plug-in the micro USB cable to charge the speaker.

3 Quick Start Guide

3.1 Charging & Powering ON

- 1 Connect the Micro USB cable (only use the provided cable) to a computer USB port or a USB wall charger. Plug the other end of the micro USB cable into the Micro USB charging port (G) located on the back of the speaker. While charging the LED indicator light will turn RED and then turn OFF when the battery is fully charged.
- 2 Hold the MODE/POWER button (A) to turn ON your speaker. You will either hear a voice prompt or a start up noise. The speaker will enter Bluetooth pairing mode automatically.

NOTE: please refer to the diagram on 2.2

3 Quick Start Guide

3.2 Bluetooth Pairing

- 1 Hold the MODE/POWER button (A) to turn ON your speaker. You will either hear a voice prompt or a start up noise. The speaker will enter Bluetooth pairing mode automatically.
- 2 Ensure Bluetooth is enabled on your smartphone or music device. Your device will start searching for wireless devices. The speaker will appear as "audeo Beatnik" in the list of available Bluetooth devices.
- 3 Select "audeo Beatnik" the speaker will emit a tone or a voice prompt indicating that your speaker has been successfully paired with your device.
*if a password is required, enter the following '0000' (4-zeros)

NOTE: please refer to the diagram on 2.2

7 Troubleshooting

TROUBLESHOOTING:	
NO POWER	Recharge your speaker using the included micro USB cable.
MUSIC IS NOT PLAYING OVER BLUETOOTH	Make sure your Bluetooth device has A2DP profile. Check if both devices are paired and connected over Bluetooth. Restart the speaker to reconnect your Bluetooth device.
BLUETOOTH DEVICE WILL NOT RECONNECT WITH THE SPEAKER	Navigate to your Bluetooth settings menu on your Bluetooth device, tap "audeo Beatnik" and select "Forget". Now follow the steps to pair your device again.

8 Care & Maintenance

- DO NOT expose the unit to liquid, moisture, or humidity to avoid damage to the product's internal circuitry.
- DO NOT use abrasive cleaning solvents to clean the unit.
- DO NOT expose the unit to extremely high or low temperatures as this will shorten the life of the electronic device, destroy the battery, and/or distort certain plastic parts.
- DO NOT dispose of the unit in fire as they may explode or combust.
- DO NOT expose the unit to and/or use sharp objects on the speaker as this will cause scratches and damage.
- DO NOT attempt to disassemble the unit. In the event that the unit does not function properly, return it to the store where it was purchased.

9 Warranty & Legal

The condition of this warranty and our responsibilities under this warranty are as follows:

Supplier's warranty is non-transferable. This warranty is limited to the original purchaser only.

- You must be able to prove the date of original purchase of the unit with a dated receipt.
- The warranty is not applicable if the product has been subject to physical abuse, improper installation, modification or repair by unauthorized third party.
- The responsibility of supplier's products shall be limited to the repair or replacement of the product as its sole discretion.
- Specifically exempt from any warranty are limited-life consumable components subject to normal wear and tear such as batteries, decorates and other accessories.
- A supplier will not take any responsibility if the failure of the unit has resulted from accident, abuse, misuse, or any unauthorized repair, modification or disassemble.
- Modification and repair of the unit should be done by authorized and qualified service personnel, Center or returned to the manufacturer.
- This warranty give you specific legal rights, and you may also have other rights which vary under local laws.
