

Ring Size Guide

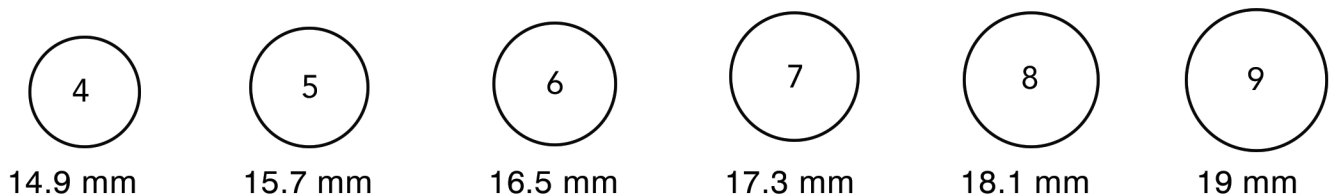

We have created an easy follow along guide to help you figure out what your perfect ring size is. At Sofine we offer a range of sizes from 4 - 9 (half-sizes are currently unavailable).

Print this document out to find your ring size and make sure when printing that the paper is **not stretch to fit but at 100% scale**. This will ensure accuracy for measurements.

MEASURE YOUR RING

To use the guide below -

1. Select a ring you own that already fits your finger perfectly
2. Place the ring over the circle
3. Make sure the inside of the ring perfectly matches with the circle. This guide follows the inner diameter of the ring

MEASURE YOUR FINGER

Instructions below -

1. Cut out the ring sizer below where indicated - including small dotted line for slit
2. Slip the pointed end through the small slit to create a circle and slip over the finger you want measured
3. Tighten the paper around your finger making sure it is comfortably snug but not too tight
4. Check the band to see which number hits closest to know which size your ring will be
