ABOUT

We are an industry leading full-service Aircraft brokerage specializing in buying, selling and trading aircraft on an international level. With over 100 aircraft bought and sold, our mission is to provide the most seamless, sophisticated Aircraft Sales and Acquisition experience possible to every single one of our clients. With one of the most diverse and luxurious aircraft fleets in the world, we have the expertise, access, and network to maximize results for our clients on every transaction. Our proven and proprietary Five Step Brokerage Model helped us establish a world-class operational platform and provides unrivaled results and superior performance for all our clients. With this, we sell your aircraft at the best price and with the quickest turnaround while buying at the right price, at the right time, at the right place.

CLIENT-CENTERED

At EMCJET we go the extra mile for our clients. We work together with individuals and corporations from the start to understand goals, needs, and operational budgets to determine the best possible connections that meet priorities. Our flexibility and customized approach ensures our clients are provided with unmatched customer service.

INNOVATIVE & ACTION ORIENTED THINKING

We deliver new ideas with old world class by harnessing decades of experience in the industry and meshing it skillfully with modern technology and new research techniques. By staying on top of current and future market practices, we provide data tailored to your mission profile. This, partnered with our exclusive marketing services, ensures that your message always gets in front of the right audience.

KNOWLEDGEABLE

With our team and global partners, we deliver expert analysis to provide on-the edge information of markets, aircrafts and transactions leading to accurate aircraft values and navigation of world market and economic trends. The value we bring to our clients through our inventory, world network, and next level strategies facilitates the exceptional service and results that our clients deserve and depend on.

TRANSPARENCY

The backbone of EMCJET is built on values of Trust, Transparency, and Communication. We use these values to help our clients understand, maneuver, and execute the complex deals of an intricate and ever evolving industry. EMCJET is a company founded on the hard work and dedication of a diverse team that delivers for its clients the best the industry can offer every single day. EMCJET clients rely on our proven industry results to get the job done over and over again, making us the easy choice for all aviation brokerage services.
